Rathbone Enhanced Growth Portfolio

**Investment objective**

The fund seeks to achieve a long term total return in excess of the Consumer Price Index (CPI) +5% over a minimum five to ten year period, and a risk budget of 100% of the volatility of global equities as measured by the MSCI World Equity index. The income yield will at best be minimal. There is no guarantee that the fund will achieve a positive return over this, or any other, period and investors may not get back the original amount they invested.

Important information

Copies of the Prospectus, the Key Investor Information Document (KIID), the Supplementary Information Document (SID), and application forms may be obtained, free of charge, from Rathbone Unit Trust Management Limited.

The use of derivatives for investment purposes may increase the volatility of a sub-fund’s net asset value and may increase its risk profile.

Emerging markets are volatile and may suffer from liquidity problems. Changes in rates of exchange between currencies may cause the value of investments to decrease or increase.

Details of tax levels and reliefs may change in the future. The value of any tax relief depends on individual circumstances. If you have doubts about your tax position, or the suitability of this investment, you should seek professional advice.

The Manager’s annual fee is deducted from fund’s income.

The ‘Scopic Multi-Manager Portfolio Rating’ shown was awarded following extensive due diligence and face to face manager questioning. It was arrived at by combining the ratings awarded for the individual research topics (summarised in the report, available at rutm.com) and weighting them according to a formula. All ratings are qualitative based.
